

## **H. Res. 194**

### ***In the House of Representatives, U. S.,***

*July 21, 1995.*

*Resolved,* That at any time after the adoption of this resolution the Speaker may, pursuant to clause 1(b) of rule XXIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 2002) making appropriations for the Department of Transportation and related agencies for the fiscal year ending September 30, 1996, and for other purposes. The first reading of the bill shall be dispensed with. Points of order against consideration of the bill for failure to comply with clause 3 of rule XIII or section 401(a) of the Congressional Budget Act of 1974 are waived. General debate shall be confined to the bill and shall not exceed one hour equally divided and controlled by the chairman and ranking minority member of the Committee on Appropriations. After general debate the bill shall be considered for amendment under the five-minute rule. The amendment printed in section 2 of this resolution shall be considered as adopted in the House and in the Committee of the Whole. The bill, as amended, shall

be considered as the original bill for the purpose of further amendment under the five-minute rule and shall be considered by title rather than by paragraph. Each title shall be considered as read. Points of order against provisions in the bill for failure to comply with clause 2 or 6 of rule XXI are waived except as follows: beginning with the colon on page 20, line 14, through the citation on line 19; and page 54, lines 3 through 24. Where points of order are waived against part of a paragraph, points of order against a provision in another part of such paragraph may be made only against such provision and not against the entire paragraph. During consideration of the bill for amendment, the Chairman of the Committee on the Whole may accord priority in recognition on the basis of whether the Member offering an amendment has caused it to be printed in the portion of the Congressional Record designated for that purpose in clause 6 of rule XXIII. Amendments so printed shall be considered as read. It shall be in order at any time to consider the amendment printed in part 2 of the report of the Committee on Rules accompanying this resolution, if offered by a Member designated in the report. That amendment shall be considered as read, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. The Chairman of the Committee of the Whole may postpone until a time during

further consideration in the Committee of the Whole a request for a recorded vote on any amendment. The Chairman of the Committee of the Whole may reduce to not less than five minutes the time for voting by electronic device on any postponed question that immediately follows another vote by electronic device without intervening business, provided that the time for voting by electronic device on the first in any series of questions shall be not less than fifteen minutes. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommit with or without instructions.
